President's Message

Dear Brothers and Sisters:

I accept this position in keeping within the highest tradition of our order's rich culture in the true meaning as an Italian American. Our lodge has been blessed over the last 10 years under the leadership of sister Carole DeVito. We wish her well in all her endeavors that will follow in her association with the order.

My story as a member of the order was quite simple, I married a young beautiful Italian lady and the rest was history. Large family. It was exceptional, 13 children in all. I knew that I had to do "The right thing" all the time. So, when my brother-in-law asked me to join them, I could not refuse. It has been a love affair that has continued for the past 50 years. It has enriched my understanding of the deep and wonderful Italian culture. As a member of my former lodge, the Joe DiMaggio Lodge, I served in all the positions of that lodge, and also as State Deputy in the region.

I look forward to serving the Cuore D`Italia with zeal and diligence. Our lodge council has been working behind the scene to bring you the latest information and events. We are looking for your assistance in the following committees: Membership, Culture and Social Events Coordinator. In addition, we seek a member to handle our coffee at the monthly meetings.

Fraternally,  
Donald Maule  
President
