

Scholarship Awards – June 2016

Jason Bolton – William T. Dwyer High School

Dominic Salamone – Jupiter Community High School

Cuore d' Italia reaches out to local schools in our community to present \$1,000 scholarship awards to two (2) deserving, hardworking students of Italian descent. The committee, consisting of Sister Marie Lauricella, Sister Anna Fattorusso and Brother Ray Beretta are proud to have selected two high schools students who are qualified in every way.

In addition to having excellent grades, they have contributed to their school and communities... and they are very proud of their Italian heritage. We wish them success in their college goals and good-fortune in all their future endeavors. Their essays are printed in our June newsletter.

Each recipient will receive:

- A Certificate of Achievement
- The Dante Aligheri medal
- \$1,000 towards their tuition
- A special plaque, "I Have a Dream", designed by Maria Mazzarella
- A Visa Gold Gift Card by the Floridian Community Bank of Juno Beach
