On behalf of the Executive Committee, both present and past, and all members of IGFR, it is a privilege and pleasure to present to Carl P. Miller, Honorary Life President of IGFR, this special publication of the History of the International Golfing Fellowship of Rotary which he founded in 1964, during his presidency of Rotary International, with the cooperation and assistance of Gavin Reekie, Willie Milne, and numerous other Rotarians.

All those involved in IGFR extend to President Carl our most sincere "THANK YOU" for creating this Fellowship which has meant so very much to all of us during our lifetimes and certainly for all future Rotarian golfers. President Carl is to be complimented and congratulated for his extraordinary vision and foresight in establishing this highly important and most rewarding worldwide fellowship organization which has been an outstanding success over the past 26 years, resulting in numerous personal friendships as well as creating better understanding and goodwill among people and nations.

Therefore, it is fitting that this 26th annual World Rotary Golf Championship be dedicated to Carl Miller. May this Silver Anniversary event bring back many happy memories for him.

On behalf of the Executive Committee and all members of IGFR, every good wish is extended to Carl and Ruth Miller in the future.

HISTORY OF INTERNATIONAL GOLFING FELLOWSHIP OF ROTARY

When Carl Miller was president of Rotary International in 1963/64, he stressed the development of Fellowship between Rotarians. Part of his program was called Matched District Program, a program of getting Rotarians in one part of the world together with Rotarians in other parts of the world for better understanding and goodwill between people. He spent a great deal of time encouraging what is now known as World Fellowship Activity, and one of the activities which he sponsored is the International Golfing Fellowship of Rotary.

In 1963, at the final dinner of the International World Assembly at Lake Placid, New York, the Governor-elect of District 101 (Scotland), Gavin Reekie was at the table of the incoming Rotary International President, Carl Miller. Gavin Reekie explained to Carl Miller about a golf match that was being played between District 728 (Pennsylvania) and District 101 (Scotland), which had all started years before because of a happy meeting between Rotarian Peter Jackson of Scotland and Rotarian Ken Christy of Butler, Pennsylvania. He suggested that Rotary International should take up this idea on a World basis. Carl Miller said, "Yes, we must do this and when I visit your District, we must 'tie up the details'." (It should be noted here that other areas of the world had held similar exchanges of golf fellowship, particularly Crans, Switzerland, where Gaston Barras had been holding tournaments for Rotarians from France, Belgium, Germany, Italy, Luxembourg and Switzerland since 1951.)

The meeting took place August 17th, 1963, at the famous Gleneagles Hotel, Scotland. Present were: Carl Miller, President; Bill Carter, President, RIBI; Gavin Reekie, District Governor 101 (Scotland); Willie McAslian, District Governor 102 (Scotland).

President Carl solicited the assistance of Gavin Reekie and Willie McAslian, for Carl wished to hold the First World Rotary Golf Championship on the Royal and Ancient Golf Club at St. Andrews. Gavin and Willie returned to Scotland and engaged the help of Willie Milne, who was then Sports Director for both Rotary Districts of Scotland.

President Carl offered to put a gold and silver perpetual trophy, to be known as the Carl Miller Trophy, and to provide a replica of the trophy each year for the winner to keep personally. Willie Milne arranged with Cairnsmith Silversmiths in Perth to design the Carl Miller Trophy. Drafts were sent back and forth until final approval by Carl, who added dimples in the globe to represent golf ball and tees, to hold the globe. The Carl Miller Trophy and the replicas given each year represent an investment of more than \$6,000 since the first tournament.

The trophy was first played for on the historic Old Course at St. Andrews, Scotland, in September of 1964, and this course was also chosen for the second year in 1965.

Since that time, the number of trophies has grown to eight: The Charles Piat Trophy for the player with the lowest gross score; the Gavin Reekie Trophy awarded to the runner-up to the Carl Miller Trophy; the Malcolm Miller Trophy awarded to the runner-up to the Charles Piat Trophy; the Joe Gherzi Trophy awarded to the player with the lowest net score in the 13-18 Division; the Gaston Barras Trophy awarded to the winning District Team with the lowest total gross score; the F. Folonari Trophy awarded to the District Team with the lowest total net score; the Lars Magnusson Trophy awarded for the most holes-in-one, most eagles, or most birdies by any player.

Since the founding of the International Golfing Fellowship of Rotarians, twelve tournaments have been held: four in the United States, three in Scotland, and one each in Switzerland, Sweden, Italy, Australia and France. There were so many imponderables in the organizations of each of these tournaments, it was difficult to foresee all the problems which were likely to rear their heads. Each of these tournaments have been organized and staged by members of the International Executive Committee, under the guidance of President C.D. Tinsley; Vice President Charles Piat; Secretary Willie Milne, and Treasurer Jack Bushong. I.G.F.R. is indebted to the following for their great help in organizing tournaments: Gavin Reekie, Willie McAslan, David Cooper, John Caithness and Willie Milne, who organized the first meeting in St. Andrews; C.D. Tinsley, Gaston Barras, Switzerland; Jack Bushong, Bill McCune, John Dibb and Stewart Kennedy in the United States; G.L. Gherzi in Italy, Jack Grey, Australia, and Rene Bouchy in France. Malcolm Miller, as Treasurer and Chairman of the Rules and Regulations Committee, has contributed greatly to I.G.F.R. success.

At the 1975 World Rotary Golf Championship at Pinehurst, North Carolina, Morley Theaker of Hawaii was added to the Executive Committee as a temporary member through the Hawaii Tournament, and a new slate of officers was elected as follows:

<i>Life Honorary President</i>	Carl P. Miller, U.S.A.
<i>Chairman of the Board</i>	C. D. Tinsley, U.S.A.
<i>President</i>	Charles Piat, France
<i>Vice President</i>	Jack Bushong, U.S.A.
<i>Executive Secretary</i>	Willie Milne, Scotland
<i>Treasurer</i>	Jack Grey, Australia

The 1976 World Rotary Golf Tournament will be held in Maui, Hawaii, U.S.A., May 23-29, 1976, with play on the championship golf course at Kaanapali Beach.

Rotarians in many parts of the world are looking forward to the privilege of having the World Rotary Golf Championship in the years ahead, including Luxembourg, 1977, where Armand Delvaux of the Executive Committee has his home; Mexico City, Mexico, where Arturo Alvarez of the Executive Committee has his home, and Japan, where executive committeeman Tameyoshi Arakawa resides.

CHRONOLOGICAL NOTES OF I. G. R. F.

AUGUST 17, 1963

One of the first organizing meetings between Carl Miller, Gavin Reekie and Willie McAslan, at Gleneagles, Scotland.

SEPTEMBER 22, 1964

1st International Golfing Fellowship of Rotary Golf Tournament at St. Andrews, Scotland.

A "Carl Miller Necktie" was presented to each competitor in the first meeting at St. Andrews. The tie was of the MacFarlane tartan (Miller is a sept of Clan MacFarland).

After the first tournament at St. Andrews, it was suggested that future competitions should be made more strictly a District one by asking each District to send two competitors; in fact, a District Team.

OCTOBER, 1964

Charles Piat of France would like to present a trophy for the ~~best~~ gross score.

Suggested that the 1965 tournament should be at St. Andrews again, in order, that the competition might be firmly established.

OCTOBER, 1966 — RICE HOTEL, HOUSTON, TEXAS

Carl Miller proposed that an Executive should be formed. He expressed a wish that he should not be the president of such an Executive, but the meeting was unanimous in the wish that he should continue in office, even if it were as Honorary President with someone else as President of the Executive.

It was decided to appoint a small committee to propose an Executive and Ed Bracher, Tom Dickson and Erik Magnusson were appointed. They retired from the meeting and returned with the following proposals which were accepted:

<i>Life Honorary President</i>	Carl Miller
<i>President</i>	C. D. Tinsley, Texas, USA
<i>Secretary</i>	Willie Milne, Scotland
John Dobb	— North Carolina, USA
Gaston Barras	— Switzerland
Stan Williams	— Australia
Arturo Alvarez	— Mexico
Kurt Eggman	— Orange Free State (South Africa)
Bill Godbey	— California, USA
Charles Piat	— France
Erik Magnusson	— Sweden
Tom Dickson	— Scotland
G. L. Gherzi	— Italy
J. H. Bruce Barry	— Canada

It was later decided the Executive would be strengthened by the inclusion of Malcolm Miller of Kansas who had been at all three meetings.

It was agreed to recommend to the Executive that in future competitions, there should be two classes of competitors:

- (1) Handicaps up to and including 12 for the Carl Miller Trophy;
- (2) Handicaps from 13 to 18 for a trophy not yet in existence.

It was also suggested that all previous winners should have the right to play in the competition without disturbing their District's right to nominate representatives.

Finance: A small surplus of \$75.00 was reported. It was thought that the Executive should consider the question of an entry fee.

It was suggested that the Executive should meet once a year, if possible away from the tournament — perhaps New York.

SEPTEMBER, 1967 — CRANS, SWITZERLAND

Charles Piat presents miniatures of his trophy to be awarded to the winner of the low gross score of the 0 thru 12 Handicap.

It is decided the 1969 tournament is to be held in Sweden; and the 1970 tournament for Venice, Italy, would be voted on next year in Palm Springs, California.

It is decided that Malcolm Miller should draw up a set of rules.

The Executive Committee is to try to get official recognition from Rotary International.

Jack Grey (Australia) recommended for membership to the Executive Committee to replace Stan Williams (Australia).

NOVEMBER, 1968 — PALM SPRINGS, CALIFORNIA USA

Malcolm Miller, Kansas, USA, appointed Treasurer.

Malcolm Miller presents to the Executive the first rules of IGFR.

Masa W. Oka of Japan appointed to membership of Executive Committee.

It is suggested there should be a photographic record of the tournaments kept.

AUGUST, 1969 — TYLOSAND, SWEDEN

It was decided the 1970 meeting was to be held in Venice, Italy.

Probable place of the 1971 meeting to be in Australia.

NOVEMBER, 1969 — LONDON, ENGLAND

Sub-committee meeting: Gaston Barras, Switzerland; Marco Gherzi, Italy; Lars Magnusson, Sweden; Willie Milne, Scotland. A diploma presented by the International Golfing Fellowship of Rotary should be awarded to each class winner from each District represented at the annual tournament of any national or regional golfing fellowship. Lars Magnusson promised to prepare a sample diploma.

A jacket badge similar to the existing I.G.F.R. badge should be made available to all members.

SEPTEMBER, 1970 — VENICE, ITALY

Stan Williams, Australia, has passed away.

Lars Magnusson, Sweden, presents diploma for District Fellowship.

Future competitions: Agreed that arrangements were Melbourne, Australia — 1971; Houston, Texas, in 1972 and Evian, France — 1973. Also, 1974 competition might return to St. Andrews, Scotland.

1971 — MELBOURNE, AUSTRALIA

Passing of Director Masa Oka.

Confirmed the appointments of Dr. Bill McCune and Mr. Tokisure Yokogawa to the Executive Committee.

Future competition was approved for 1974 at St. Andrews, Scotland.

The Executives have a recommendation before them that they should try to find someone in their area who is willing and able to become Regional or National Chairman of a Golfing Fellowship of Rotary.

The Executives accepted an invitation of member Jack Bushong to meet in Galveston, Texas, for a few days (as his guests) prior to the Houston Fellowship next year.

1972 — HOUSTON, TEXAS, USA

Future competitions: An invitation was received for 1975 for Pinehurst, North Carolina, from John Dibb; also, Mexico - 1976 (Alvarez) and Australia - 1977 (J. Grey).

New officers to be elected in Evian 1973.

Mr. Yokogawa was dropped from Executive Committee, due to his inability to participate.

Two new members were added to the Committee: Tameyoshi Arakawa from Japan; Armand Delvaux from Luxembourg.

Much interest was shown in the formation of National Fellowships throughout the world.

1973 — EVIAN, FRANCE

Any decision regarding the future office bearers was deferred until St. Andrews, when Charles Piat would give a final decision regarding his acceptance of the post of President.

Lars Magnusson, Sweden, presented two designs for Fellowship diplomas, one of which was selected.

It was agreed that the 1975 competition would be held in Pinehurst, North Carolina, and the 1976 tournament should take place in Hawaii.

Verbal invitations were received from Canada, Australia, Japan, Luxembourg and Mexico.

It was again pointed out that a formal invitation has to follow specific lines; i.e., there has to be a letter from the District Governor, from the President of the Rotary Club which is running the competition, from the golf course accepting such a tournament and proof of acceptable accommodations.

The meeting confirmed members of the Executive Committee.

John Dibb would like to resign after the tournament in North Carolina, and nominated Stuart Kennedy as his replacement.

Jack Bushong is appointed assistant to both the Secretary and the Treasurer.

1974 — ST. ANDREWS, SCOTLAND

It was approved that Stuart Kennedy be co-opted as a member of the Executive to cover the period up to and including the next tournament at Pinehurst.

It was confirmed that in 1976 the tournament would be held in Hawaii, probably the last week in May.

It was confirmed that the 1977 tournament would be held in Luxembourg.

Jack Bushong is appointed Treasurer. Malcolm Miller to remain a member of the Executive.

It was decided to appoint a sub-committee to clear up some points in the rules and regulations. A European sub-committee consisting of Gaston Barras, Armand Delvaux and Gavin Reekie would send their findings to the President who would chair an American committee consisting of C. D. Tinsley, Jack Bushong and when possible, Bill McCune.

1975 — PINEHURST

It is agreed that holding a Rotary meeting at the World Championship should be arranged by the sponsoring committee.

Agreed that any Executive Member who is missing from the Executive Meeting on two successive years shall be deemed to have resigned commencing with Hawaii, 1976.

Applications were forwarded from South Africa and Australia for the 1978 tournament to be decided at Hawaii.

Charles Piat is appointed President of I. G. F. R.

C. D. Tinsley is appointed Chairman of the Executive Committee.

Jack Bushong is appointed Vice President.

Willie Milne agreed to continue as Secretary for a further period of one year.

Jack Grey is appointed Treasurer.

Malcolm Miller appointed Chairman of Rules and Regulations.

Bill McCune appointed Historian to compile a history and record of I.G.F.R. from the beginning.

1976 — MAUI, HAWAII

A resolution was passed with sorrow on the passing of Mae Milne.

Judd Hall was appointed Chairman for the Area Fellowship of the USA.

Bill McCune selected Chairman of the Rules and Regulations Committee.

Any member of the Executive Committee missing two consecutive meetings (starting with Hawaii 1976) would have deemed to have resigned from the Committee.

Future competitions under consideration:

- (1) 1978 — South Africa — Hermanus
1978 - Australia - Melbourne
- (2) 1979 Pebble Beach, California

The downtown Rotary Club of Houston, Texas, USA, presents to I.G.F.R. a special trophy in honor of C.D. Tinsley for the outstanding contributions he has made within their district and around the world. Its replica will be the financial responsibility of their club forever.

The Malcolm Miller Trophy will be dropped after the Hawaiian tournament. It is agreed that the C.D. Tinsley Trophy will replace the Malcolm Miller Trophy.

A venue report and voting on future locations followed:

- (1) Luxembourg - August 7-13th, 1977
Mr. Armand Delvaux, Chairman
- (2) South Africa - October, 1978
Mr. B. Kantey, Chairman
- (3) California - Pebble Beach - May 28th-June 3rd, 1979
Mr. Chuck Soper, Chairman

Gaston Barras appointed Captain of the Team. He should work closely with the Organizing Committee as concerns handicaps, pairings, etc. His arrival a few days prior to competitions would be advisable.

The Secretary of I.G.F.R. is to be responsible for seeing to it that the permanent trophies and their replicas are received yearly by the Organizing Committee prior to the competitions.

There is to be one full day's meeting of the Committee prior to the competitions, so that the business at hand could be fully discussed.

Bill McCune presented the working copy of the history of the I.G.F.R. Corrections and additions were made.

The elevation of Officers of I.G.F.R. to eventual President was discussed. It was agreed that the Officers be elected to each position as they become available.

All members of the Executive Committee were reconfirmed with the following exceptions: Tom Dickson and Tamey Arakawa. Their resignations were accepted with regrets:

To replace Mr. Arakawa, Mr. Ichiro Hattori was elected. His address will be:

Ichiro Hattori
4-5-31 Minamiazabu Minato-Ku
Tokyo, Japan

It was agreed that in the rules and regulations classifications of officers and members, that there should be a third list which would include members of the Executive Committee who have served with honor in the past, and that this classification would be called a Past Service.

1977 - LUXEMBOURG

On the question of Area Fellowship it was agreed that the sum of \$1 American which should have been paid to the treasurer of I. G. F. R. be dropped.

Doubt was again expressed about the information regarding the tournament reaching the interested Rotarians and members were reminded that they should seek for and take advantage of any opportunity for spreading information.

Publicity material for all meetings should contain a list of past service members of the Executive, giving their office and years of service.

The President (Charles Piat) announced his retiral from office and the members expressed their thanks for valued and much appreciated service to I.G.F.R.

The Secretary (Willie Milne) also confirmed his retiral.

Joe Gherzi (Italy) announced his retiral from the Executive and this was accepted with regret. He asked that Franco Agostini, the Resident of Italian Fellowship might take his place and after discussion, members supported this suggestion and it was approved.

Malcolm Miller (USA) had announced his resignation and it was proposed and agreed that Max Wieninger (Germany) should become a member of the Executive.

Members were reminded that the rules stated that the number of members on the Executive should not exceed twenty.

Before proceeding to the question of new office bearers, the meeting approved a motion that all office bearers including members of the Executive should be confirmed in office every year, but in the case of the presidency; he could only hold office for two successive years.

On his retiral he would remain a member of the Executive Committee.

C. D. Tinsley proposed the following list of Office Bearers:

<i>President</i>	W. A. P. Milne, Scotland
<i>Vice President</i>	Armand Delvaux, Luxembourg
<i>Secretary</i>	Jack Bushong, USA
<i>Treasurer</i>	Jack Grey, Australia

This was agreed and all those concerned agreed to accept office — in the case of the President elect for one year only.

Jim Anderson's letter was discussed and it was thought that the broadening of the rules to include a fellowship flight would give other Rotarians the opportunity to take part in the meeting, if not in the main tournament.

Rotarians may enter this section without district qualification and their entry will be accepted up to the limit of the facilities available. In the event of their District not being fully represented they may then take a place in the tournament, proper provided the rules of district representation (one member in each class) are observed.

The Executive approved without reservation the letter which Carl Miller has written to Kenneth Switzer of Rotary International, regarding his comments on the name, the badge and the publicity material of I.G.F.R., and asked the Secretary to write to Carl, stating that they should be very grateful if he were to take up the whole matter of Rotary Fellowship Activities with Rotary International. It was the opinion of everyone that his assistance would be invaluable.

The insurance of trophies was discussed and the Secretary reported that the insured value of all trophies had been increased by 50% subject to valuation, excluding the C.D. Tinsley Trophy which had been covered for a sum of L 500. The total sum now stood at L 3,498. The C.D. Tinsley Trophy being too big to transport, would be kept in Houston and therefore would be dropped from the Insurance Policy.

Bill McCune raised the question of the new edition of the History of I.G.F.R. and discussed the question of costs. Ichiro Hattori (Japan) said that he would be delighted to look after the production costs and his offer was accepted with acclamation.

It was confirmed that the tournament would be held in Hermanus, South Africa, in 1978, Pebble Beach, California, in 1979; and subject to the necessary documents being sent to the Secretary, in Crans sur Sierre, Switzerland, in 1980.

RESULTS
1st WORLD ROTARY GOLF TOURNAMENT
St. Andrews, Scotland
1964

Dr. Sandy Lang of Bathgate, Scotland, was the winner.
Russell (Bunny) Harper of Ottumwa, Iowa, U. S. A., was second.
C. D. Tinsley of Houston, Texas, U. S. A., was third.

It was intended that the trophy should be decided over 72 holes, but because of thick mist and a delayed start of the third round the competition had to be restricted to 63 holes.

The first tournament had a different format than we use today. It had two qualifying rounds the first two days, with a 36-hole final day for half the field that qualified the first two days.

CHRONOLOGICAL NOTES OF I.G.F.R.

September 1978

Hermanus, South Africa

The history of I.G.F.R. was completed prior to the meeting and shipped to Hermanus. It was agreed to sell them for U.S. \$3.00.

Each member expressed deep appreciation to Ichiro Hattori for his unselfish generosity in personally paying for the publication.

The secretary was instructed to thank Historian Bill McCune for his efforts and to ask that "supplements" be published every two or three years.

The secretary read a letter from the solicitor of Gavin Reekie as concerns the founder of I.G.F.R. Two conclusions were reached:

1. Gavin expressed that the matter was not simply his concern, but rather his entire family's.
2. Committee expressed that the matter should be personally resolved between Gavin and Carl Miller.

It was agreed that all trophies were to be the permanent possession of the executive committee, regardless of the number of times one player may win them.

It was agreed to delay discussion on the design of the I.G.F.R. badge worn by the executives.

As to "how long a Past President could/would serve on the executive committee," a clarification of the rules and regulations indicates that any officer shall remain an active member of the executive committee as long as he wished. However, the attendance requirements of not missing two consecutive venues would apply, as it would to any committee member.

Reprinting of the Rules and Regulations and the "Fact Sheet" approved by the Committee.

Agreed that a permanent fellowship trophy is the discretion of the Organizing Committee.

A report was received from Gaston Barras for the 1980 Venue in Switzerland. It was received with thanks and re-confirmed.

An invitation for 1981 was presented by Ray Owen and Hugh Robison for Puerto Rico. The committee agreed to place Puerto Rico on a tentative for confirmation next year.

All executive members were reconfirmed except for Arturo Alvarez who becomes a past member not having attended the previous two venues.

It was recommended and approved that Buzz Dublin be invited to future executive committee meetings and that he receive a copy of the minutes and all correspondence by the secretary as R.I.'s representative (fellowship board) to I.G.F.R.

Following nominations, elections of officers for 1978-79 were unanimously approved:

Chairman of the Board	C. D. Tinsley
President	Armand Delvaux
Vice President	Gavin Reekie
Secretary	Jack Bushong
Treasurer	Jack Grey

District Governors, Em Piper and Bob Brister presented a warm invitation for a future year and explained in detail the joint-nations (U.S. and Canada) as District #502 as the sponsor.

Late letter from Mr. Das inviting I.G.F.R. to India for future championship, too late to be discussed.

CHRONOLOGICAL NOTES OF I.G.F.R.

May 1979

Pebble Beach, California

A new Charles Piat Trophy which remains the property of I.G.F.R.

The correspondence between Carl Miller and Gavin Reekie as concerns the founding of the I.G.F.R. is "put to rest."

Letter from Lars Magnusson read and his resignation was accepted with regret as Lars is no longer in Rotary.

In the matter of the Magnusson's Trophy replacement, the first option of sponsorship was given to the President, Mr. Delvaux, who agreed. Hence, it will be called the Armand Delvaux Trophy and be given in replacement of the Lars Magnusson Trophy for all future competitions.

The trophy insurance was reviewed and the secretary given permission to adjust, renew and delete where necessary to insure proper coverage with General Accident Assurance Corp., Perth, Scotland.

The secretary was instructed to produce a less expensive brochure to answer mail requests coming from the World Fellowship Activities Chairman.

Secretary to "update" by insert the Rules and Regulations.

Secretary to "Review the Fact Sheet" (for organizing committees) and to stress the importance of fellowship.

A request that all 2nd place winners be automatically qualified. (The Rules & Regulations are direct as to this point and the committee felt that any change would disrupt the overall format.)

A report to consider a Seniors and Super Seniors Division was discussed and also rejected by the committee.

Of Importance — it was noted that there were players playing in the competitions who are not Rotarians. It was felt very strongly that this condition could not be furthered in the future and the secretary was instructed to follow closely in the future.

With much regret and a very warm and very special thanks for their past services, the Committee accepted the resignation of past president Willie Milne and executive member John Dibb, who have missed two consecutive meetings of the I.G.F.R. The committee wishes to remind both Willie and John that as past members of the executive, they are automatically qualified to participate in all future competitions and it was the hope of the committee that both would be in Crans for the 17th World Championship.

Stuart Kennedy of North Carolina was elected to the Executive Committee.

Future Venue reports were received from: (1) Crans (Switzerland) 1980 — Gaston Barras outlined and presented his program of activities for next year — June 23-28.

(2) Puerto Rico 1981 — confirmed — Ray Owen and Hugh Robison spoke of their plans for an outstanding event in May — they will have a complete agenda in Crans.

(3) Victoria, B.C. 1982 — under consideration — invitation presented by Don Straith. Date would be late June. Bob Brister and Em Piper have been active also in this invitation.

(4) Myrtle Beach, South Carolina 1983 — under consideration — invitation by James Hackler, Jr. and Governor Charles Berry.

(5) Scotland 1984 — Vice President Gavin Reekie to report back to the committee.

(6) Australia 1985 — Treasurer Jack Grey to make a formal presentation in Crans in 1980.

(7) Florence, Italy 1986 — Franco Agostini has asked that we hold this year for his invitation to visit his country.

(8) Other areas who have showed an interest in hosting include: Bermuda, India and Hilton Head, U.S.A.

Basil Kantey, South Africa, was elected to the Executive Committee. Historian Bill McCune was asked to have printed an insert updating the history of the past two years for distribution to all participants in Crans, 1980.

All officers for 1979-80 were renominated and reconfirmed for another year.

CHRONOLOGICAL NOTES OF I.G.F.R.

June 1980
Crans, Switzerland

EXECUTIVES IN ATTENDANCE

C. D. Tinsley
Armand Delvaux
Jack Bushong
Jack Grey
Bill McCune
Buzz Dublin (Liaison to R.I.)

Charles Piat
Gaston Barras
Basil Kantey
Stuart Kennedy
Max Wieninger

Regrets from:
Carl Miller
Gavin Reekie
Ichiro Hattori

It is agreed that Gaston Barras should carry the official title of: Director of Competitions for I.G.F.R., hence, responsible for pairings and play of all future tournaments.

Trophy insurance to be increased by 10%.

Fact Sheet to be reviewed by all members before reprinting.

"A Bit of Information" instructed to be reprinted after updating.

Rules and Regulations — instructed to reprint every four years, next being 1982.

Basil Kantey recommended the following schedule for all future venues to allow for a better balance and fairness to entries:

U.S. - Europe - U.S. - elsewhere - repeat.

In discussing Past President Willie Milne concerning his resignation from the Executive Committee (having missed two consecutive meetings) and his desires to be reinstated as an active member under an "Honorary Secretary" classification. It was agreed that the Rules & Regulations should apply to everyone in the true spirit of Rotary.

Buzz Dublin discussed his activities with R.I. officials about recognition by R.I. It was agreed that R.I. may "cramp" the growth and development of I.G.F.R. with too many restrictions and too much supervision.

Future Venues:

Puerto Rico confirmed for 1981.

1982 — Victoria, Canada is confirmed. (Em Piper and Bob Brister) have gone too far for 1982 to make changes now.

1983 — Myrtle Beach, South Carolina. The organizing committee seems to have all well in hand.

1984 — Gleneagles, Scotland — although all the formal invitations have not as yet been received, the date of 1 - 4 October was tentatively announced.

1985 — Melbourne, Australia — Jack Grey spoke of April and that his formal invitation would be shortcoming.

1986 — Florence, Italy — no report.

Other possibilities:

South Africa
Pinehurst, North Carolina
Houston, Texas
Evian, France
Germany.

On the subject of confirmation of present members of the Executives, all were reconfirmed except for Franco Agostini who resigns his position having missed two consecutive meetings.

The R & R By-Laws were changed to read: "The current President will remain in office for a minimum of two years and a maximum of four years."

Following this action, Armand Delvaux was re-elected President for the coming year.

Election of other officers included:

Gavin Reekie — Vice President
Jack Grey — Treasurer

The following were reconfirmed:

C. D. Tinsley — Chairman of the Board
Jack Bushong — Secretary
Bill McCune — Historian

Charles Lindberg of Sweden was appointed to the Executive Committee.

The suggestion that John Sjorgren of Sweden and President of the Scandinavian Golf Association be appointed to the Executive Board of I.G.F.R. was to be deferred for a year.

The matter of Victoria next year as the venue was fully reviewed in detail by Emery Piper and R. S. Brister. The dates of the 19th World Rotary Club Championships in British Columbia, Canada — September 1982 were reconfirmed.

A discussion as to "the possibilities" of a shotgun start, except the final round was agreed upon as a "trial" only.

World Fellowships — Buzz Dublin — Rotary International is certainly taking "note" of the work interest in all fellowships of which I.G.F.R. is considered to "gather."

Past President of Rotary International, W. Bomar, is here in attendance for a few days to observe the activities of I.G.F.R.

The 1981-82 theme of Rotary International is "World Understanding Through Fellowship."

The Secretary, J. Bushong, instructed to reprint and update "a bit of information."

The Secretary presented the roster of golfing Rotarians who now number 828.

Secretary instructed to update and reprint the Rules and Regulations.

Secretary was asked to consider a yearly newsletter to all on the roster.

Gaston Barras, President of European Fellowships, gave an outstanding report on all activities of each country.

Future Venues:

1. Myrtle Beach, South Carolina, U.S.A. — 1983
2. Gleneagles, Scotland — 1984 — all seems in good order.

3. Australia — 1985 — received a formal invitation given by Beaumont and McRae, all necessary papers received.

4. Others:

France — formal invitation received.

Japan — an interest in hosting.

South Africa — venue welcome to return.

Houston — would host again.

Historian Bill McCune distributed (by mail) the 1978-1979 Supplement of the History of I.G.F.R. asking for corrections.

The question as to when the history of I.G.F.R. should be reprinted will be decided in Victoria '82.

Secretary asked to instruct all future venues the need for more Rotary fellowship to include:

1. Home hospitality.
2. Pre and post tours.
3. Lots of ladies' activities.

Stuart Kennedy asked to help and assist Myrtle Beach in any manner needed to insure a successful 20th World Rotary Golf Championship.

All members of the Executive Committee were reconfirmed for the following year.

All officers were re-elected for 1981-82 by acclamation.

NEWSLETTER 1982

This is my first President's Newsletter to you. I am deeply honoured and privileged to hold this high position in I.G.F.R., more especially so following in the footsteps of Armand Delvaux whom we all congratulate on a magnificent Presidency these past four years — with his charming wife, Nicky, how could it be otherwise. Nicky was always there to greet everyone and her effervescent presence was a guarantee of good fellowship. Isn't this just what this Fellowship is all about?

Now Armand is Vice-Chairman of the Board and we congratulate him on that appointment.

Our Vice-President is Gaston Barras, the 'Lord Mayor' of Crans-Sur-Sierre in Switzerland. His contribution to our Fellowship, especially in Europe, richly deserves this appointment. Incidentally, Gaston has undertaken to improve his English so he may have less time to play golf before the next tournament. Now there's a tip for you when you challenge him next year.

A cordial welcome to Don McRae of Australia who has just been appointed to the I.G.F.R. Committee. Australia has always given great support to the Fellowship and it is an acknowledgement of this to have Don join Jack Grey on our Executive.

The Meeting in Victoria, Vancouver Island, was a great success and all responsible are to be congratulated, with special mention to Don Jenson, President of the Rotary Club of Victoria, Past District Governors Bob Brewster, Em Piper and Douglas Lewis, Bill Skinner and Jim Lining. Few realize the tremendous amount of planning and organization that goes into such a tournament — this starts at least a year ahead. What a wonderful job they did!

At the more difficult holes — all holes are difficult — the local Rotarians gave of their time to spot balls off the fairway and what a great help this was. Then there was the home hospitality, always a highlight of the tournament. Connie and I were hosted by Bill and May Bowman. We had a most delightful evening, more especially as May is a Scot.

Connie joins me in thanking all in Victoria, Vancouver Island, for a job truly well done and greatly appreciated by all participating. Congratulations, too, to the winners of trophies and the many generously donated prizes.

On leaving Victoria, Connie and I proceeded to Honolulu at the kind invitation of Tammy and Sumi Arakawa. We stayed at the Kahala Hilton, one of the most outstanding hotels I have had the pleasure of staying in, with a golf course situated right behind it.

There, I had the great pleasure of playing with Tammy, Morley Theaker and John Hood of Australia who touched down at Honolulu on his way home. A delightful game, especially to see how John can hit that ball. Jeanette Hood came to meet us in the 'buggy' and I am pleased to tell you that she had more or less completely recovered from her disposition contracted in Oregon at the pre-tournament 'get together.'

Tammy Arakawa is a member of the Country Club next to the Hilton and he kindly invited Connie and I to a dinner party along with past R.I. President Carl Miller and his charming wife, Ruth, Dorothy and Morley Theaker and Jay Warren. This was a wonderful idea and Tammy and Sumi were wonderful hosts. Here was I.G.F.R. at work again, a great Fellowship evening. A number of his guests were Non-Rotarians and I think they were a little jealous of the Rotary movement and the international atmosphere.

Ruth and Carl were looking well and in great form. They were disappointed they were unable to attend Victoria because of Carl's medical problems. Carl is intensely interested in I.G.F.R. and its development since 1964 and we had a wonderful chat

together. Ruth decorated Connie and I with a lei — a most charming gesture greatly appreciated.

It was a delight to meet Dorothy and Morley again, both looking well. How nice, also, to meet Jay Warren again; what a wonderful person and looking very well. We took this opportunity to express our personal sympathy in the passing away of John, once a great supporter of I.G.F.R.

Now of the future. As I said at the final banquet in Victoria, the world is going through a most difficult phase. Today, we live in a rapidly changing environment. Technological advances in the last 25 to 30 years have been equivalent to the previous 150 years. Such a rapid change creates much human stress, which, in the past, we have not been subjected to in the same degree.

Today, communications are so rapid that it is more than ever necessary for all the countries to have an appreciation of each other if we are to live in harmony. Rotary, with its world organization, has the great opportunity to help understanding.

It is my belief, and, I am sure, yours also, that our Golfing Fellowship can give, and is giving, a major contribution to world understanding. "Where there is understanding, there should be no mis-understanding."

In these troubled times, I believe more than ever that the individual has a greater responsibility to live his own life and to personally contribute to the happiness of others. Governments are no substitute for personal involvement.

We in I.G.F.R. have an international personal involvement. We all help in bringing different nationalities together, different customs, different traditions, and it is for this very reason that we are all justly proud to belong to our international Fellowship of I.G.F.R.

All of us wish to contribute and participate in this wonderful I.G.F.R. Fellowship, to help achieve a better world understanding. The I.G.F.R. - Executive gives much time and thought to furthering our aims and we invite you to write either to me, to Jack Bushong, our Secretary, or any member of the Executive with your suggestions on how better to further and strengthen our organization.

As President, I promise you the Executive will consider all ideas. This may take a little time so do not expect an instant answer, but please write.

Next year is Myrtle Beach, South Carolina, 11th - 17th September. Jim Hackler, the Organizing Committee Chairman, is determined to give us a great meeting, the best ever, and we extend our best wishes to him.

Then in 1984 it is Gleneagles, Scotland and the dates are Monday, 23rd July, to Friday 27th July. The Open Championship at St. Andrews is the previous week, Thursday, 19th July to Sunday, 22nd July. We in Scotland plan to host as many possible who would like to visit the Open prior to our own Meeting at Gleneagles.

God Bless and good wishes to you all.

Gavin Reekie,
President, I.G.F.R.

FROM THE PAST PRESIDENT, ARMAND DELVAUX

"... as you know, I have come, in 1982, to the end of my term as President. May I take advantage of this opportunity to thank you all most sincerely for your valuable contributions and all your help in making this International Golfing Fellowship of Rotary such an outstanding organization."

"May I also ask you now to give the same dedication and support to our new President, Gavin Reekie who, without a doubt, will be a great leader, for having been, since its creation, deeply involved with this outstanding Fellowship. My sincere congratulations go to Gavin and my compliments to his charming wife, Connie."

"Nicky and I send to all of you our kindest regards and every good wish for a happy, healthy and prosperous New Year."

NEWSLETTER 1981

I wished I could remember who's idea it was to send a yearly Newsletter to every Rotarian Golfer who participated in an I.G.F.R. World Tournament — for I would have liked to mention his name here and thank him personally again for having suggested this.

A yearly Newsletter will, surely, be appreciated by all of us, but especially by those who were not able to attend all of our meetings.

True, it would have been rather difficult to send such a letter prior to 1981 since there was no "up-to-date" roster with the names and addresses of all who have participated. However, this roster exists now, thanks to our valiant secretary Jack Bushong, and I am pleased to inform you that prior to Puerto Rico and the 18th World Rotary Golf Championships, 828 Rotarians had attended our yearly meetings.

The purpose of this Newsletter is, of course, to keep you better informed about your International Golfing Fellowship. You should not only learn who won the latest Championship, but also about important decisions taken by your Executive Committee in its yearly general assemblies — as well as matters of interest pertaining to our organization.

Incidentally, we are proud to report that our Fellowship seems to be considered as the best organized one — and is set up as an example to all other Fellowships of the Rotary world. As you know, Buzz Dublin from District 528 (Los Angeles) has been, for several years already, an active member of the World Fellowships Committee and has done a great job in defending our interests in discussions with R.I. officials. He is now being assisted by I.G.F.R. Secretary, Jack Bushong, who was appointed by incoming President of R.I. to sit on the Board for 1981-1982. Also, we do feel that the I.G.F.R., heading towards its 19th birthday, has acquired a firm foundation — as Past President of R.I. James Bomar, in attendance for a few days in Puerto Rico, was unable to observe.

Our 1981 tournament in Puerto Rico was a huge success and all who participated enjoyed a great week of true Fellowship and Friendship as well as a super organized tournament on the two beautiful and demanding Dorado Beach Golf Courses. Again our sincere thanks and appreciation to Ray Owen, Hugh Robison and all those who helped them to make our stay such a pleasant one.

Here are a few facts about the 1981 participation: We were 116 players representing 16 countries and the U.S.A. with 55 contestants coming from 16 different states had the strongest contingent.

You will be interested to learn that in Puerto Rico, your Executive Committee has confirmed as future venues:

- 1982 — Victoria, B.C., Canada — September 18-24th.
- 1983 — Myrtle Beach, S.C., U.S.A.
- 1984 — Gleneagles, Scotland. (21st anniversary.)

We also received formal invitations from France and Australia and an "interest" in hosting from Japan, Spain, South Africa and Houston, Texas.

May I take advantage of this opportunity to also mention here, that the 8th European Rotary Golf Championship will be held October 26-30, 1982 in Marbella, Costa del Sol, Spain.

It was in Vienna, Austria, that the 1981 European tournament took place (in June) and from reports I received about it, I only can say that I do regret very much not having been able to attend.

Furthermore our "Rules and Regulations" were put up to date and a revised issue is now available.

A discussion as to the "possibilities" of a shotgun start, except for the last day of competition, was agreed upon as a "trial" only — and provided the organizing committee wishes to do so.

As shown on the attached list, all members of the Executive Committee were confirmed and all officers were re-elected for 1981/1982.

It is my sad duty to also inform you that the following friends have left us forever:

- Frank Sherman from Bowie, Md. (Dist. 762) Feb. 1979
- John Warren from Honolulu, Hi. (Dist. 500) Jan. 1981
- Luke Mercadante, Glen Cove, N.Y. (Dist. 725) Nov. 1981

They all were fine Rotarians and, above all, excellent friends — we shall never forget them.

As I come to the end of this first I.G.F.R. Newsletter and also, in 1982, after four years, to the end of my term as your President, I would like to tell you, in all sincerity, how very much I have enjoyed and appreciated doing this — and how proud I am and how privileged I feel to have been able to serve this fine and outstanding organization. I wish to express my gratitude to all of you who helped to make our International Golfing Fellowship of Rotary the most successful one among the World Fellowships of Rotary.

My wife Nicky joins me in sending you our kindest regards and wishing all of you a very happy, healthy and prosperous New Year.

We are looking forward to seeing you again in Victoria, B.C., Canada for the 19th World Rotary Golf Championship.

Armand Delvaux

Regrets from:
Carl Miller
Charles Piat
Charles Lindberg
Bill McCune, Jr.

An exception was made concerning Charles Piat, he having missed two consecutive meetings, pending his attendance in Gleneagles '84. Decision was based on his inability to attend due to Government travel restrictions.

Elected to the Executive Committee:

Umberto Pallotta — Italy

Agreed to accept the Dumbreck Trophy as an additional award but not as a separate flight, and that the net score award could be won by any players, 65 years and older, to include the Fellowship Flight, with the same restrictions being placed thereon, i.e., that a player may not receive more than two (2) awards at any one competition. (R & R change.)

Formal presentations were received from:

1. District #540 (1986 or 1987) — Sun Valley, Idaho — U.S.A. P.D.G. Bryce Roper.
2. District #644 (1986) — Skokie, Illinois — U.S.A. Stanley Sherman.

After a lengthy discussion, it was agreed to accept September 19/25 in Sun Valley, 1986.

Future Venues and Invitations:

- 1984 — Gleneagles, Scotland — July 23 - 27
- 1985 — Australia — October
- 1986 — Sun Valley, Idaho — U.S.A. — September 19/25
- 1987 — Japan — (Official Invitation received — More details next year)

Topics Discussed:

1. Recommendation for a Badge of Office and a Past Presidents Badge. Secretary instructed to bring to Gleneagles the possibility of the inclusion of identification of office and committee on the present I.G.F.R. jacket patch — (also, Past Presidents Pin).
2. A future need for a nominating Committee, comprised of Past Presidents/others.
3. A need for a Committee, within the Executive Committee, who could, from time to time, as the need arises, make decisions and report them back to the Executives at their annual meeting for ratifications. It was noted, and reconfirmed, that the President, while in office, has the prerogative "to do whatever is necessary to insure the future growth and success of I.G.F.R."
4. Discussion (again) concerning the possibilities of charging a yearly membership to I.G.F.R. — Decision of the Executives was to continue present administration of charging a \$10.00 yearly fee to participants and/or if the need for more funds becomes necessary in the future, that the Executives can increase the fee to \$12.00-\$15.00 per participant.
5. R.I. Convention — our need to have representation yearly to promote I.G.F.R. at the Fellowship Booth — President Gavin '84.
6. Executives agreed, that after 20 years, it was time for I.G.F.R. to take on a project, through goals and objectives, and the Secretary was asked to consider ways and means of the administration and implementation of raising additional funds at revenues. Agenda item '84. (Fellowship P.G.A. Junior Golf Academy.)
7. Recommendation from Basil Kantey that the Executive consider the Secretary keeping all permanent trophies in his possession, at all times, and that a picture be taken of the winner (s) each year for their "keepsake," hence, no future problems with getting the trophies returned yearly to each venue.
8. Reassignment of the responsibilities for the Rules and Regulations / trophies / awards / to Max Wieninger and Stuart Kennedy, re: Gaston to V.P.

Thanked Hattori for hosting the visitation to Japan and asked Delvaux to elaborate on the possibilities of conducting a venue there in 1987. Expenses may be a deterrent to a large field. However, an outstanding location.

Re-elected Jack Grey as Treasurer. Treasurer's Report was accepted, with thanks to Jack Grey.

An update of the RULES AND REGULATIONS of I.G.F.R. was presented.

An update of A BIT OF INFORMATION was presented.

A reprinted TOURNAMENT GUIDELINES was presented.

A Resolution on the Contributions of Willie Milne, I.G.F.R.'s first Secretary presented by Chairman Tinsley and approved by the Executives.

Be it further RESOLVED that a copy of this Resolution be forwarded with appropriate letter from the Executive Secretary of I.G.F.R. to the widow and family of Willie Milne verifying that these actions were unanimously adopted by the Executive Committee;

Be it further RESOLVED that a Past President's badge be forwarded by the Executive Secretary of I.G.F.R. to Mrs. Miriam Milne in recognition of Willie's involvement in I.G.F.R. since its inception in 1964 and a letter stating that he served with distinction as President and Executive Secretary of I.G.F.R.;

Be it further RESOLVED that this Resolution be read to those assembled at the final Awards Banquet on September 17, 1983 with an appropriate moment of silence in memory of our departed friend, Willie Milne;

This RESOLUTION being unanimously approved and adopted by the Executive Committee of International Golfing Fellowship of Rotary on this the 11th day of September 1983.

**INTERNATIONAL GOLFING FELLOWSHIP OF ROTARY
FOR BETTER WORLD UNDERSTANDING**

**FROM THE OFFICE OF THE PRESIDENT
— PDG GAVIN R. REEKIE, OBE, CSJ**

"Those of you who were unable to attend the 20th Meeting of I.G.F.R. at Myrtle Beach, South Carolina, missed a great "Fellowship Get-Together." My congratulations go to General James Hackler and his hard working Committee for all their very fine and most successful efforts.

However daunting the famous 'Dunes' golf course, our spirits never weakened. It was a real pleasure to play this world renowned championship golf course, an experience I will always cherish and I know that sentiment is shared by all the participants.

At the banquet dinner, our Honorary President, Carl Miller spoke to us direct by telephone over the loudspeaker system, from his home in Honolulu. It was a great joy to hear him personally speak of the immensely valuable role that our I.G.F.R. Fellowship is playing in promoting World Understanding. We all greatly regret that, because of indisposition, Carl and Ruth were unable to be with us in person and his telephone call and the thoughts behind it were all the more appreciated. Our best wishes and fondest regards go to Carl and Ruth.

This year at Gleneagles, Scotland, we meet to celebrate our 21st Anniversary. The dates are July 23rd to 27th, 1984. It was here at Gleneagles that Carl and I in August of 1963, formally launched this Fellowship. Carl then was the incoming R.I. President and I the incoming District Governor of District 101.

Full information regarding Gleneagles was sent to all District Governors this past November and a separate postcard sent to all previous participants a few weeks later. Please contact me at Tarvit Ridge, Cupar, Fife DY15 5BW, Scotland, U.K., if you have not received these details. Remember the 'Open' Golf Championship is being held at St. Andrews the week prior to our tournament. The closing dates for entries is April 1, 1984.

At Myrtle Beach we had a most interesting talk with Dr. Gary Wirren, Director of the National Academy of Golf, P.G.A. of America, on their scheme for a Jr. Golf Academy, with the aim to help build the future leaders of golf. Advanced and Intermediate junior golfers — boys and girls ages 12 to 17 (18 year olds just out of high school can be accepted) — can be scheduled in any one of their separate one week sessions of intense instruction with the assistance of at least one 'Star' professional. Their motto is "Training Future Leaders Through Golf" and all students have impressed on them the values of 'Honesty, Perseverance and Responsibility.' As with our own I.G.F.R. Fellowship, golf is simply the means to carry the message of "Better World Understanding." Living, learning and playing together creates this spirit of International Goodwill.

The cost this year is \$495.00 US per session and, of course, travel costs are extra. The venue is Boca West Club in Boca Raton, Florida and the sessions are late June and the month of July, 1984.

I would recommend this scheme to all our members to encourage District and perhaps clubs to select a suitable candidate and sponsor his attendance at the Academy of golf in Florida. Future details may be obtained from: Dr. Gary Wirren, F.G.A. — Box 12458 — Palm Beach Gardens, Florida, 33410, USA.

My fellow Rotarians, here is a great opportunity for members of I.G.F.R. to participate in an outstanding fellowship for youngsters and to help in our ideal of World Understanding.

At Gleneagles, the senior members — 65 and over — will be competing for the Dumbreck Seniors Trophy, best net score. This is a magnificent Trophy and we are indeed indebted to Bob for this wonderful gesture. Bob is well known to everyone for his wonderful demeanor and tenacity and has played in practically all the tournaments.

We were honored with the visit of R.I. President Carlos Canseco from Mexico and his charming lady Maria Aurora who were with us on the Thursday and Friday. President Carlos spoke to us at dinner on the Thursday evening and stressed his message of "Discover a New World of Service" and his great wish to see the world rid of leprosy. He received a spontaneous standing ovation and was well deserved. His aim is our "For Better World Understanding" and I quote one of his recent remarks:

"Rotary is after the kindness which a man carries in his heart -- to serve the needs of others".

At the Thursday evening banquet, R.I. President Carlos presented the ladies with their prizes. At the Friday evening banquet he presented the gentlemen with their prizes.

In the Friday evening darkness in front of the Hotel and under the flood lights, he attended the "Lowering of the Banner" to the beat of the drums of the St. Andrews Pipe Band and took the salute of the March Past. The Band then melted into the night with the gradual diffusion of the floodlights and so ended another memorable meeting of I.G.F.R. with the singing of Auld Lang Syne.

Approved Rules and Regulations format change on Team competitions, effective Australia, '85.

Pairings for teams shall be made by the Organizing Committee, same structure, 0-12 and 13-18, but from different countries and/or regions of the world on a first-come, first-play basis for pairings, depending upon balance of the field in the two Divisions. (Discontinuation of the District teams as we now know them and to have Inter-National pairings, which will change yearly.)

Making the Ladies' competitions a part of the venue and to accept the trophy sponsorship by Ichiro Hattori for the Ladies Champion Net Score.

INTERNATIONAL GOLFING FELLOWSHIP OF ROTARY WORLD CHAMPIONSHIPS

MINUTES OF THE IGFR COMMITTEE MEETING HELD ON 27th MAY 1987 AT 5 p.m.
AT THE HOTEL KAWANA, JAPAN

1. The President Gaston BARRAS opened the meeting and welcomed two new Committee members, namely Philippe CANDAU from France and James F. HACKLER from South Carolina, U.S.A.

He thanked C.D. Tinsley for having spoken the preceding evening, on behalf of the Executive Committee, of our friend Ichiro HATTORI.

The President then spoke as follows:

"We have lost a great friend, a genuine Rotarian, who was always ready to serve and to help.

Ichiro's organisation of these Championships was truly remarkable.

The kind way he received us in Tokyo, that bus trip we took with im on the Sunday afternoon - all these things we shall never forget.

Our deepest sympathy goes out to all his family, particularly to his charming wife Takako and his daughter Satoko.

Since we have known him, this is the first time Ichiro has ever done anything to hurt us. He has left us without any warning.

Our memories of him shall always remain linked to the IGFR and shall be a shining example and an incentive to us always to do better."

The Committee members observed 2 minutes' silence in memory of our friend Ichiro Hattori.

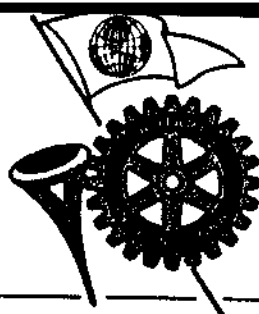

2. The Committee decided to send Mrs Takako HATTORI a telegram expressing their condolences and sympathy.
3. In keeping with the wishes of the Hattori family and the Organising Committee, it was decided that the Championships should go on as planned.
4. It has been decided that in future the names of past presidents shall always be mentioned after the Executive Committee.

5. It has been decided, in agreement with the French Committee, that the 1988 World Championships in Biarritz shall be dedicated to the memory of Ichiro Hattori.
6. C.D. Tinsley suggested that Gaston Barras accept the presidency for another year and that, after Biarritz, Vice-President McRae become President.

Gaston Barras, in view of the circumstances, agreed to continue as President for a further year and the Committee unanimously ratified this decision.

7. T. Arakawa informed us that the funeral service would take place on 4th June 1987 in Tokyo. Armand Delvaux and Philippe Candau were delegated to represent the Committee.

Gaston Barras
President

INTERNATIONAL GOLFING FELLOWSHIP OF ROTARY WORLD CHAMPIONSHIPS

MINUTES OF THE IGFR COMMITTEE MEETING HELD ON 29th MAY 1987 AT 5 p.m.

The Committee met in order to meet Mrs. Takako HATTORI, to convey to her its deepest sympathy and to assure her of its kindly feelings and good will.

Mrs Hattori was presented with the IGFR souvenir platter which was intended for her husband.

Mrs Hattori informed the IGFR Committee that the Japanese Committee proposed to designate a successor to her husband in the person of Mr Kichisaburo OKUGAWA. Our Committee accepted this proposal and Mr. Kichisaburo OKUGAWA was appointed a Committee member.

Gaston Barras
President

TRIBUTE TO ICHIRO HATTORI

International Golfing Fellowship of Rotary lost a very dear friend and a great leader on May 26, 1987 when Ichiro Hattori, newly elected President of IGFR, suddenly passed away of a heart attack on the golf course during the 24th Annual World Rotary Golf Championship in Ito, Japan. He was a loyal Rotarian and a warm and friendly person who was liked and respected by everyone who knew him.

Prior to his death, Ichiro Hattori served with distinction for several years on the Executive Committee and for the past two years as Vice President of IGFR. It is indeed tragic and extremely unfortunate that he passed away only three days after being elected President of this outstanding international organization which is dedicated to the promotion of better friendships and better understanding among people and nations around the world.

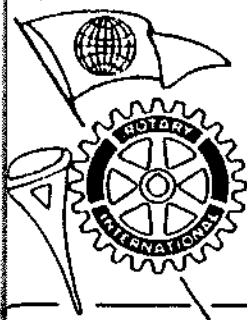

Ichiro Hattori's many contributions to the growth, progress and success of IGFR will be long remembered. He will be greatly missed by his multitude of friends not only in his native Japan but worldwide.

As General Chairman of the 1987 World Rotary Golf Championship, Ichiro led the many members of his various important committees in staging one of the most successful and enjoyable golf tournaments in the 24-year history of IGFR. The superb manner in which the organizing committee handled the event and the gracious hospitality that prevailed will never be forgotten by those in attendance from at least 15 different countries.

On behalf of the Executive Committee and the entire membership of IGFR, our deepest sympathy is extended to Ichiro's charming wife Takako, other members of his family, and to his host of close friends and associates. Our lives have been made richer by having known Ichiro Hattori.

Sincerely,

C. D. Tinsley
